

GRANT GIVING OVERVIEW

Arise's grant-giving is overseen by a Committee, made up of elected members of the Trustee Board. This Committee meets four times a year to consider full proposals and allocate funds.

GRANT GIVING PROCESS

In addition to soliciting our own projects, Arise accepts enquiries for funding on a rolling basis. On the basis of an enquiry for funding, an organisation might be invited to submit a full proposal. Arise aims to respond to your enquiry within 2 working weeks.

FUNDING CRITERIA

Arise's support focuses on organisations that fit the follow principles:

- Grassroots: Organisations should not be headquartered outside the principal country of work. Ideally, they should be locally founded and led by locals;
- Source country focus: Organisations working in source countries for modern slavery or human trafficking. Our priority countries include: India, Brazil, the Philippines, Albania, Romania and Nigeria;
- Prevention: Organisations focused on the prevention of modern slavery and human trafficking or re-trafficking;
- Networked: Organisations working as part of a network with other like-minded organisations.

Arise does not usually give grants exceeding £15,000 a year, for a maximum of three years. We might consider larger financial support, but please contact us before making an application above this amount.

Arise is willing to cover all costs, including a reasonable amount of overhead costs - this will be discussed at the full proposal stage.

WHAT WE DO NOT SUPPORT

- Individuals or scholarships not within the structure of a project
- International NGOs or organisations working in destination countries
- Any proselytising activities
